“The time has come” for

I directed the new Imagefilm for Kitzbühel Tourism which also won several awards, including the Cannes Corporate Award in Gold. These pictures were taken during the shooting.

A photograph of a winter mountain landscape. In the foreground, a modern building with a facade of vertical wooden slats is partially visible, with its dark shadow cast onto the snow-covered ground. The background features a dense forest of evergreen trees heavily laden with snow, set against a backdrop of misty, snow-capped mountains under a cloudy sky. The overall color palette is cool, dominated by blues, greys, and whites, with some brown tones from the trees and building.
